

QUIT the LITTERING!

For the sixth year running, Boone County students have participated in the Quit the Littering Calendar Contest. And let me tell you, Boone County kids are AWESOME! Each year, we ask them to come up with anti-litter drawings and slogans and each year, they surprise us with their creativity, innovation, and humor. Check out all of their work in the 2008 Quit the Littering Coloring Calendar and at www.boonecountky.org/bcswm.

Color the pictures. Hang it on your wall. Learn more about why litter is stupid.
