The Board of Adjustment is a three or five member panel designed to take action on requests for Appeals, Variances, Conditional Uses, and Change of Non-Conforming Uses. The hearing is open to the public and any interested party will have an opportunity to be heard. Action is normally taken during the meeting.

The Boone County and Florence Board meetings are held the second Wednesday of each month and the deadline for all applications is typically 22 days prior to the meeting.

The Union and Walton Board meetings are scheduled once an application is submitted for review.

It is recommended that an applicant review the requirements of the Zoning Regulations concerning Change of Non-Conforming Uses or Appeals and the criteria for their review. Applicants should be prepared to answer questions concerning their application at the meeting.
