### *Boone County Seeks Citizens to Serve on Boards and Committees*

Boone County periodically recruits citizens interested in volunteering to serve on various Boards and Commissions. Over the next several months, numerous opportunities exist for citizens to get involved in the community by volunteering to serve on boards such as the Planning Commission, Boone-Florence Water Board, Board of Building Inspection Appeals, Northern Kentucky Area Development District, Boone County Extension Service and Historic Preservation Board, just to name a few.

A full list of Boone County Boards and Commissions can be found at [www.boonecountyky.org](http://www.boonecountyky.org). Citizens that have an interest in one of these areas, or possess particular skills and expertise that are relevant to the Board are encouraged to apply for consideration. A convenient on-line form can be completed at <http://www.boonecountyky.org/BoardsCommissionsApp>.

According to Judge/Executive Gary Moore, "this is a great way to serve the community and get involved in shaping the future of Boone County". Currently, there are over 200 Boone County residents serving on Boards and Commissions contributing valuable time and expertise to the community.
