Christmas Treerecycling 2010

On January 6, 2010 the Boone County Public Works Department and the City of Florence Public Service crews ran their snow routes and picked up Christmas trees from residents that were put out at the curb. On January 9, 2010 Boone County Public Work crews mulched all the trees from the following drop off sites: the Farmer's Market on KY 18, the Old Florence City building, Ryle High School behind stadium, Walton City Park, and the Old Flick's Parking lot at Tanner's Station. All together 1064 Christmas trees were recycled.

If you would like mulch, please call our office at 334-3151 to make arrangements. Mulch can be picked up at the Boone County Public Works facility, 5645 Idlewild Road, Burlington. Some of the mulch will be used for walking trails in the parks.

Please visit www.boonecountyky.org/bcswm for updates and more from Boone County Solid Waste.
