## **COUNTY TO HOST AN INFORMATION BOOTH AT UPCOMING FAIR**

*BOONE COUNTY, KY*—This year Boone County will provide an information booth at the Boone County 4-H & Utopia Fair. This year's fair will be held on August 4-9<sup>th</sup> at the County Fairgrounds located along Idlewild Road in Burlington.

The Fiscal Court wanted to take this opportunity to be able to reach out to the largest public gathering of Boone County residents to provide information and resources on a wide variety of public services and projects.

Residents can expect to find information covering a number of topics ranging from road projects, property assessment and appeal process, solid waste procedures, an overview of animal control activities and many other relevant County Government activities. This year's booth will also give residents an opportunity to register to vote, as well as view the upcoming ballot and the new electronic vote machines. The booth will also provide residents with the opportunity to register service requests and fill out applications to volunteer on various boards and commissions.

Each night the County will also have drawings for door prizes and at the end of the week be giving away a free family membership to the Union Pools.

According to Judge/Executive Gary W. Moore, "We are very excited about the opportunity to reach out to our citizens and provide more information to them, as well as receive input as to how we can better serve them."

The Boone County Fair is coordinated by the Fair Board Council and Advisors. If you would like more information regarding the Boone County 4-H & Utopia Fair please visit the Fair Board's website at <http://www.boonecountyfair.org/> .
