Boone County Jaycee Month Declared

Judge Executive of Boone County, Gary Moore, has declared October 2007 to be "Boone County Jaycee Month". This will coincide with National Jaycee Founders month being celebrated throughout the country.

The Boone County Junior Chamber of Commerce, "Jaycees" are based in Boone County, and are committed to serving the community by participating in over 75 projects annually. Each year they coordinate projects such as dances for the handicapped, Needy Kids Christmas, providing youth scholarships, participating in governmental issues, hosting an annual Prayer Breakfast for the community, and raising money for the Muscular Dystrophy Association and American Cancer Society. The Jaycees can be seen throughout the county in parades, Veteran's Day and 9-11 Celebrations.

Jaycee President, Karla Smith, represents the interests of young people between the ages of 20 and 40 who are interested in friendships, creating networks and serving the community. The Jaycees promote leadership training through community service - members are encouraged to plan, budget and complete various projects throughout the year. The Kentucky Junior Chamber and the United States Junior Chamber have recognized the Boone County Jaycees as an outstanding chapter for their efforts in these areas.

To learn more about the organization please contact Karla Smith at 393-2306 or attend a general membership meeting held the first Wednesday of each month at the Florence Government Center.
