Mosquitoes ♥ waste tires!

# WASTE TIRE AMNESTY FREE TIRE DISPOSAL

**Boone County: May 4-7, 8a—6p**

**Kenton County: May 12-14, 8a—6p**

**Campbell County: May 19-21, 8a—5p**

The NKSWMA and the KY Division of Waste Management are jointly sponsoring a tire amnesty program to allow Kentucky residents free disposal of an unlimited number of tires on or off the rims.

These items **WILL NOT** be accepted: foam filled tires, off-road construction equipment tires and solid tires with press-on rims. We will not accept tires from retailers. To learn about times and locations please call your local Solid Waste Coordinator:

Boone County call 859-334-3151

Kenton County call 859-392-1920

Campbell County call 859-547-1802

If you have more than 1,500 tires, call your County Solid Waste Coordinator no later than 3 weeks prior to that county's amnesty dates to determine if special arrangements can be made.
