GUIDELINES FOR PRINCIPAL

1. There are two conservation-oriented contests for Kentucky students. The Jim Claypool Conservation Art Contest is for students in grades one through five. The Conservation Writing Contest, now in its 65th year, is for students in grades six through twelve.

The publication "Water! Every Drop Counts" may be found at www.conservation.ky.gov and www.kyfb.com. If you have trouble accessing these sites give your local conservation district office or Kentucky Farm Bureau office a call, or contact the **Kentucky Division of Conservation, at (502) 573-3080**. A CD with all the information is also available from your local county conservation district.

2. Encourage your teachers to have their students enter the applicable contest: Writing contest for grades six through twelve; art contest for grades one through five.
3. Select the THREE best-written entries and/or THREE best-art entries from your school before November 1.
4. Before December 1, send your school's top writing entries and/or art works along with the Principal's Writing Report form and/or Principal's Art Report form to your local school superintendent. These forms are with this letter. If both are sent from your school, they should be detached from one another and secured to the winning entries as appropriate. Schools without a local superintendent should see the contest procedures and instructions found at web sites www.conservation.ky.gov and www.kyfb.com.
5. Make sure the report form(s) contains the correct name and address of your school's entries. **Please be sure to include the total number of writing entries and/or artworks entered in your school's contest.**
6. Complete rules for both contests are found at these Web sites: www.conservation.ky.gov and www.kyfb.com.

EACH WRITING AND ARTWORK ENTRY MUST BE DONE BY **ONE** STUDENT.
ANY ENTRY SUBMITTED BY MORE THAN ONE STUDENT
WILL **NOT** BE CONSIDERED.
