KYTC District 6 Road Report

Update of all current construction projects in the Northern Kentucky district

COVINGTON, Ky. (June 27, 2014) - The Kentucky Transportation Cabinet District 6 would like the public to be aware of the following conditions and/or operations that are being reported for highways in District Six. Changes and/or additions from last report are underlined/red. Motorists should be aware of possible delays or lane closures on the following projects:

**** Remember** - You can get Northern Kentucky road construction updates on <http://transportation.ky.gov/district-6/Pages/default.aspx>. You can also call 511 or go to www.511.ky.gov for Kentucky traffic and travel information.

BOONE COUNTY

- **US 42/Mall Road Intersection (13.9 -14.4 mile-marker) from Bentley Drive to Ewing Blvd:**

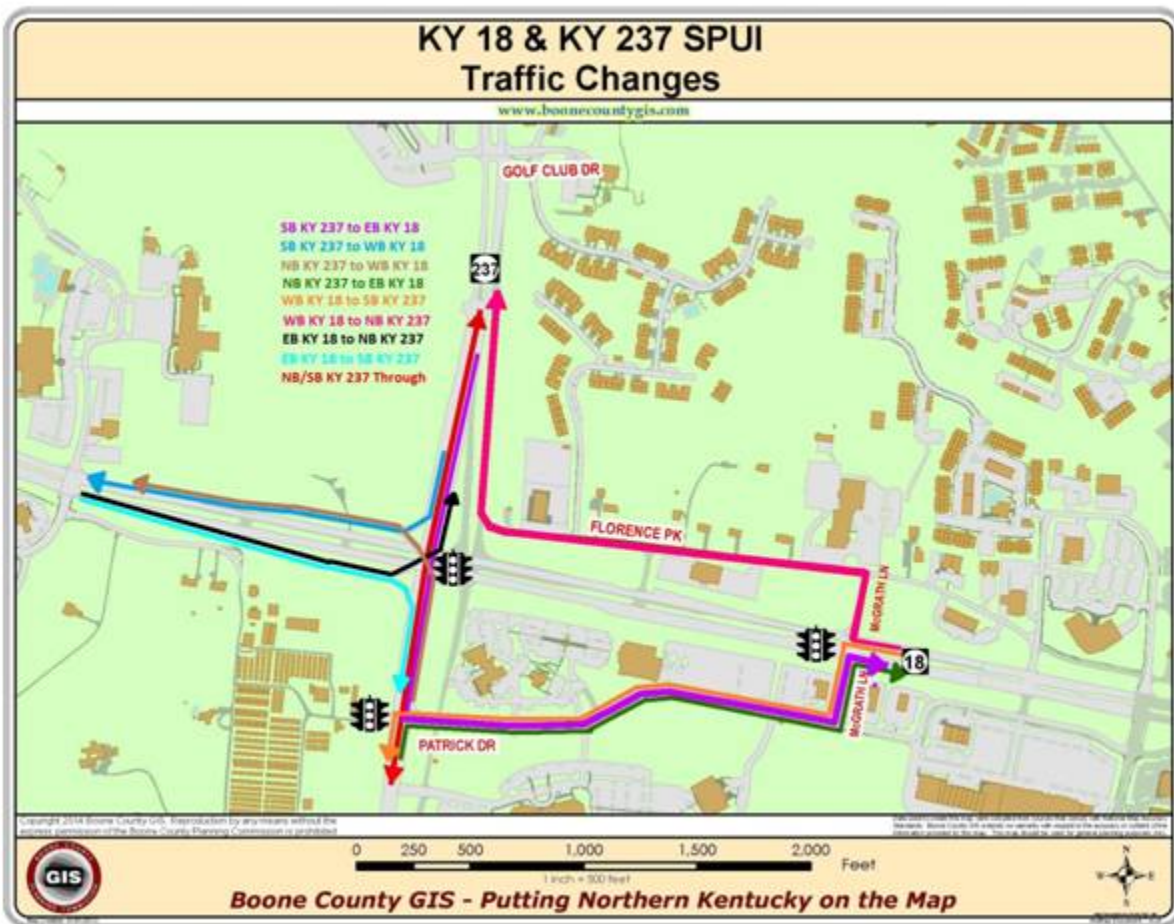

WEST OF I-75

- Traffic restrictions are in place on Eastbound and Westbound US 42/127.
- Traffic is restricted to a single through lane from I-75 to Bentley Court.
- Mall Road left turns to Eastbound US 42 is restricted to one lane.
- The ramp from I-75 Southbound to US 42 is restricted to two lanes.
- Various traffic impacts will continue through October.
- Watch for flaggers, trucks and construction equipment entering and exiting the Highway.
- **A new traffic pattern is now in place for the Westbound US 42/127 from the I-75 overpass to Bentley Court.**

EAST OF I-75

- Lane Closures on East and Westbound US 42/127 are possible on weekday nights from 9 PM until 5 AM from Scott Street to the I-75 overpass.
- **No lane closures East of I-75 overpass during the 4th of July weekend.**
- **Watch for flaggers and trucks entering and exiting the highway.**

Camp Ernst Road (KY 237) from Rogers Lane to Golf Club Drive – As construction continues on this project, please watch for flaggers and for trucks entering and leaving the highway. **Traffic switch is in place! Motorists should be aware of a new traffic pattern.** Northbound and southbound KY 237 will be driving on the new bridge over KY 18. Southbound and northbound KY 237 traffic wishing to travel Eastbound KY 18 will be required to turn at Patrick Drive, then turn left on McGrath Lane to access KY 18. Northbound KY 237 drivers that would like to continue westbound KY 18 should proceed over the bridge and turn left at the new signalized intersection. Eastbound KY 18 travelers will use the ramp on the right to access KY 237 or go under the bridge to continue on KY 18. Westbound KY 18 traffic that would like to go southbound on Camp Ernst Road will need to turn left at McGrath Lane and right onto Patrick Drive in order to get on to Camp Ernst Road. Lastly, Westbound KY 18 drivers that wish to turn right onto KY 237 will be required to turn right onto McGrath Lane and left onto Florence Pike. There will be a new ramp connecting Florence Pike to Northbound KY 237. **Detour signs will be installed to assist the public while the new traffic pattern is in place.** Please expect delays and watch for flaggers during the traffic switch.

- **I-275 WB (6.34 to 13.4 mile-marker)** - Lane closures may be in place between 6 PM – 6 AM Monday through Sunday for concrete sawing and sealing operations. Expect minor delays and use caution when traveling through the work zone.
- **KY 237 (Pleasant Valley Road)** - Asphalt resurfacing work continues on KY 237 from Rose Petal Drive extending north to Camp Ernst Road; weather pending. Lane closures will be in place 8 PM – 6 AM Monday through

Friday. Expect minor delays and use caution when traveling through the work zone.

- **KY 236 (Donaldson Highway)** - Asphalt resurfacing work continues on KY 236 from Mineola Pike extending east to the Kenton County; weather pending. Lane closures will be in place 8 PM – 6 AM Sunday through Friday. Expect minor delays and use caution when traveling through the work zone.
- **KY 3168 (Limaburg Road)** - Asphalt resurfacing work continues on KY 3168 from KY 18 extending north to KY 237; weather pending. Lane closures may be in place Saturday, Sunday, and 9 PM – 6 AM Monday through Friday. Expect minor delays and use caution when traveling through the work zone.
