

Grant Application Instructions

1. You will need Adobe Acrobat installed on your computer to be able to view and edit the document; please [click here](#) to download Adobe Acrobat freely.
2. To navigate between fields, simply use the tab key. You enter data directly into each field. You cannot save the entered data with Acrobat Reader.
3. Once the data has been entered, simply print the document normally.
4. You may also save the document locally (blank version) by simply pulling the “Save” option from the File menu within Acrobat. Again, this will not save any entered data, unless you have the full version of Acrobat.
