ORGANIZATION & PHILOSOPHY**

-The program is an instructional league designed for children who would just like a taste of the baseball world.

-Emphasis is placed on identifying field positions, throwing, and catching a ball, batting, sportsmanship, teamwork and FUN!

-Players will play different field positions each inning.

-All players on the team bat each inning. (Outs count, but are not accumulated.)

-Two or three innings are played. (It varies with the players and generally lasts one hour.)

-Baseballs, bats and batting helmets are provided by the Parks Department. (We request that children do not bring their own bats.)

-Coaches are Parks Department staff.

-Volunteers are welcome to assist with children on baselines, with those waiting on the bench to bat, and to help the children cheer each other on.

-If you would like a longer time frame, more competitive program, there are other baseball organizations in the area.
