April 2, 2009

On Thursday, April 02, 2009 at approximately 11:20 a.m. a Burlington, Kentucky man had to be flown to the hospital after the tractor he was operating turned over trapping him beneath it.

Donny Snow, 62 was plowing the garden at his home located in the 2900 block of Snow Road when the tractor rolled over on top of him. While EMS first responders were working on lifting the tractor a neighbor responded with his Bobcat loader and lifted the tractor enough to free Snow.

Air Care transported Snow to University Hospital in Cincinnati, Ohio with reported non life-threatening injuries.
