June 15, 2009

Boone County Sheriff's investigators continue today to collect evidence for analysis and interview anyone who might have any information helpful in identifying the person(s) responsible for this heinous crime.

The autopsies conducted on Warren and Madge Moore revealed they both died of gunshot wounds to the head. Madge was shot once and Warren was shot twice. The caliber and type of weapon are still unknown however investigators did recover a handgun from the Moore household they are sending to the lab for analysis. Michael Moore continues to recover at University Hospital in Cincinnati, Ohio from his gunshot wound.

To reiterate, our investigation has not narrowed to any one suspect or motive. We will continue to follow every lead, interview anyone who might have information concerning any aspect of the crime, and analyze all evidence. With that in mind, we still ask that anyone with information concerning these homicides call the Boone County Sheriff's Department at (859) 334-2175 or Crime Stoppers at (513) 352-3040.
