February 26, 2008

On Tuesday, February 26, 2008 at approximately 10:50 a.m. a Hebron, Kentucky man was shot twice in his home by an intruder who had entered the home through the garage door.

Leonard Gibbons, 49 of the 2800 block of Donjoy Drive reported he heard the garage door open and went downstairs in the bi-level home to investigate, gun in hand. As he entered the downstairs family room he said he was attacked from behind by a man wearing a black hood and ski mask with black driving gloves. The revolver he (Gibbons) had in his hand discharged striking him in the inner thigh and foot.

The intruder reportedly took Gibbons money and ran out the garage door. Gibbons was transported to University Hospital with non life-threatening injuries.
