

## BOONE COUNTY BUILDING DEPARTMENT

### **PERMITS FOR HOT TUBS**

The following documents must be provided with your application for a hot tub. Permits for hot tubs are required by the Kentucky Building Code.

- \_\_\_\_\_ Residential permit application
- \_\_\_\_\_ Plot plan approved by the Boone County Planning Commission
- \_\_\_\_\_ Current and valid Boone County and/or City of Florence Occupational License for the hot tub installer
- \_\_\_\_\_ Proof of Kentucky Workers Compensation Insurance for hot tub installer
- \_\_\_\_\_ Name of electrician on the project; or homeowners electric permit for homeowners installing their own electric
- \_\_\_\_\_ Complete details of hot tub including manufacturer's specifications.
- \_\_\_\_\_ Engineered drawings and load calculations for any deck or structure which may be supporting the hot tub (not needed for slabs on grade)

### **REQUIRED INSPECTIONS**

- **An electrical bonding and final inspection must be performed on all hot tubs (2 inspections). Any electrical wiring associated with lights or pumps shall be inspected and installed in compliance with the National Electric Code**
- **A footer inspection is required by the Boone County Building Department for the deck or structure supporting the hot tub**
- **A final inspection is required by the Boone County Building Department when the hot tub is complete**
