River Cities Retrospective: Music and Musicians...

John Schlipp, Presenter
7pm Thursday, January 21

The Boone County Historical Society will have a short business meeting followed by the program titled River Cities Retrospective: Music and Musicians featured in Gateway City — Covington. The presenter is John Schlipp, Associate Professor Librarian, NKU/Steely Library. He will present the development of the region’s music and musicians and how their works resonate today. From the early days of riverboat melodies, ragtime, and blues to mid-century country & western, bluegrass, and rhythm & blues, the Tri-State’s music still influences contemporary sounds such as Hip-Hop, Country and Jazz. Presentation background is from content John contributed for the comprehensive books Gateway City: Covington Kentucky, 1815-2015 and The Encyclopedia of Northern Kentucky.

The event is open to the public and cosponsored by the Boone County Public Library.

Kentucky Historical Society Honors Boone County Public Library’s Local History Department

The Local History Department of the Boone County Public Library received the Thomas D. Clark Award of Excellence which recognizes an institution for outstanding achievements and for raising the relevance and visibility of history in its community.

The award was given at the KHS annual membership meeting and history awards presentation Nov. 6 in Frankfort. The KHS cited the BCPL staff for: serving as a genealogical and local history resource for researchers, providing important history-related community programming, creating a digital archive of more than 12,000 items including photographs, oral histories, videos and primary source materials — most of which are accessible online, developing and maintaining the online encyclopedia Chronicles of Boone County, and researching and analyzing Boone County’s role with the Underground Railroad which has led to tours, field trips, classroom visits, online exhibits and digital toolkits for teachers.

The Boone County Local History Department was created in 2005. At the presentation, KHS noted that its projects and programs have successfully used volunteers and that it has developed important partnerships that have helped to sustain its work. KHS commended the department for “showing how a small staff can make great waves in the field of public history.”

Editor’s note: The Boone County Historical Society adds its “CONGRATULATIONS” to the kudos Bridget Striker and her very capable staff have already received. We are proud to be one of their partners, and grateful for all the research and assistance they have provided to us.

Current BCHS Board Member Wilma McMillian has advised she cannot accept a re-nomination for Board Member when her 3-year term concludes in January 2016. Therefore another BCHS member will be sought to fill this position. If you are currently a member and have interest in serving on our Board, please advise one of the current officers or board members. We express our deep appreciation to Wilma for her service on the Board.
