

ORDINANCE NO. 2017 -

AN ORDINANCE RELATING TO THE BOONE COUNTY FISCAL COURT ESTABLISHING A SERVICE FEE FOR ENHANCED 911 EMERGENCY DISPATCH SERVICES TO OWNERS OF REAL PROPERTY IN BOONE COUNTY, KENTUCKY.

WHEREAS, Boone County Fiscal Court as a function of State Government and pursuant to KRS 67.083 enjoys the authority and necessary latitude and flexibility to provide and finance various governmental services within broad functional areas specified in the statute; and

WHEREAS, the establishment, maintenance, and operation of the Boone County Public Safety Communication Center (PSCC) is an essential public safety service used by residents of Boone County as well as workers and travelers while situated in the County; and

WHEREAS, Boone County Fiscal Court has determined that the current 911 service fee (E 911 service fee) of \$2.78 per telephone line per month as imposed by the County is inadequate to continue to provide reliable, quality emergency communications services due to the replacement of telephone lines by wireless telephones and other technologies; and

WHEREAS, Boone County Fiscal Court has determined that KRS 65.760 provides for alternative methods of funding the operation of enhanced 911 emergency services; and

WHEREAS, Boone County Fiscal Court has determined that a 911 service fee imposed on each individual residential unit and each individual commercial unit will result in a more fair distribution of the burden of funding this service and create a more stable funding source; and

WHEREAS, the 911 service fee imposed on residential and commercial units is intended to replace the current 911 service fee on telephone lines and the current 911 service fee is to be repealed concurrently with the imposition of the new 911 service fee; and

NOW, THEREFORE, BE IT ORDAINED BY THE FISCAL COURT OF THE COUNTY OF BOONE, COMMONWEALTH OF KENTUCKY, AS FOLLOWS:
